

## Social Sponsoring System Bonus Workbook

### “How We’re Sponsoring 8 New Reps In 30 Minutes Per Day Using A Free & Brand New Facebook Strategy”

How much would 8 new team members this month be worth to you  
(use your compensation plan)?

Answer:

How much would 8 each month for 3 months earn you?

Answer:

How about a team of 620, how much would you earn each and every  
month?

Answer:

“Most network marketing companies and uplines have not moved their  
approach forward”

“They’re teaching what has only ever worked for the expert, which is  
why 90% of our industry never even sponsor 10 team members in  
total”

How many have you tried?

Mass messaging, copy and paste messaging, scripts that disintegrate  
after the initial response, adding people to non-business groups hoping  
they join your business, posting in tons of non-responsive groups,  
motivational quotes that have no engagement...

“The only way to sponsor 8 or more reps each month without begging, mass messaging, expensive ads or spending all day and night online is the Social Sponsoring System”

“The ONLY WAY to learn & implement the Social Sponsoring System is...right here, right now”

“It’s as much about HOW you show prospects as it is WHAT you show prospects”

“Time for a NEW approach”
